6. Projects Undertaken at the Request of the EIC

The Subcommittee prepared, jointly with the Subcommittee on Transportation, a summary report, EIC-R16-S2, entitled "The Foreign Trade and Transport of Communist China in 1960."

7. Intelligence Research Techniques

The Subcommittee took no action.

8. Special Coordination Functions of The Subcommittee

At the request of the USIB Committee on Exchanges, the Subcommittee reviewed a proposal for an exchange of trade experts between the US and USSR and agreed that the net potential intelligence gain of such an exchange would lie with the US.

9. Evaluation of the Role of the Subcommittee

The Subcommittee's activities were less extensive than usual in fiscal year 1961, largely because of unavoidable delays in the production of research reports in member agencies.

B. Future Program of the Subcommittee

The Subcommittee plans both formal coordination and informal discussion of the findings of research reports on the balance of payments of certain Sino-Soviet Bloc countries, the role of international trade in the Soviet seven-year plan and on other subjects as research is completed.
